In submitting this waiver, I hereby make known that I will hold blameless in the case of accident, injury, or damage of any kind, the Ashland Woodland and Trails Association (AWTA), its officers, members and volunteers. I recognize that trail maintenance and construction is potentially dangerous and I represent that I am competent to use the trail tools safely. I understand that I participate in AWTA activities at my own risk. I further recognize that safety is my personal responsibility and I agree to participate keeping all AWTA trail events safe. I agree to hold AWTA harmless and indemnify the AWTA for all costs, judgements and awards that may be claimed including the cost to defend such claims brought by myself or another on my behalf or that of others. This waiver is good for all AWTA trail work in 2023.
